

# Duplion CD Pressing Checklist

## Music

- Check CD Audio quality: no clipping, sufficient volume, sounds GOOD!?
- Decide Track playing order
- Complete © Info (IPR form)
- Fill out ISRC codes information if I need/have it...
- Send IPR and Mastering Form to Duplion..
- Save all WAV files in one ZIP
- Send ZIP file to Duplion

## Packaging

- Download Artwork Templates
- Design CD Cover or Booklet
- Design Inserts, is there anything double sided?
- Design CD onbody (Label) artwork
- Check that artwork fits the templates
- Check that Tracklist is the same on artwork as on the CD
- Check that artwork is CMYK and correct resolution (300dpi min)
- Check that all images are included or embedded
- Check that all fonts are included or outlined
- Do I require a Barcode? >>> better ask about options!
- Check that no artwork is missing
- Remove the Templates from artwork & save all files as Press Quality PDF!!
- Compile a ZIP file with Artwork PDF files.
- Send ZIP file to Duplion

## YOU!

- Put the kettle on and play some tunes!
